## **GEWA IDEALE VIOLIN OUTFIT**

We are delighted and proud to announce that we were one of the first stockists in the UK to have been chosen to sell the Gewa Ideale Violin Outfit. After selling them for the last 7 years, I have to say that they are still consistently amongst the most popular instrument in its price range!

It is beautifully made Instrument, with a tonal quality to outshine & out perform the competition in this price range. In fact when tried by a group of teachers in a blind test they all assumed it to be valued around £700-£800 for the violin alone! The mature sound belies its price, and all in all, it is a magnificent package.

Each Instrument is expertly set up & fully improved to the highest possible standards by us, so you can be sure that all it will need is a tune, and it is ready to go.

Fitted with Thomastik Vision Nylon strings a Wittner tailpiece and ebony fittings, this instrument just begs to be played.

This Instrument would suit any player, either as a second instrument for teachers & professionals, or for a first instrument for the aspiring student.

In stock in 4/4 & 3/4 sizes, and 1/2 size to order.

They are supplied with a Black Gewa Lightweight Styrofoam rectangular case, and an ebony frog, octagonal stick brazilwood bow.

**Special Price, ONLY £430**

**Instrument alone, ONLY £385**
